About PopcornApps: At PopcornApps, their solutions and services focus on enabling a unified experience across all channels. They specialize in architecting an "Integrated Enterprise". Employee and Customer behavior has evolved considerably in the recent past. While the web took almost a decade to become a mainstream method of interaction, the adoption of newer interaction channels like mobile and social media has been greatly accelerated. They offer full suite of services spanning multiple business functions, technologies and solutions ranging from Salesforce, Mobile applications, Bots, Web and Commerce.
