Empowering through Innovative Technologies ...

VISION

To create and nurture competent Engineers and managers who would be enterprise leaders in all parts of the world with aims of reaching the skies and touching the stars and yet feet firmly planted on the ground – good human beings steeped in ethical and moral values.

MISSION

MLR Institutions are committed to providing a positive, professional and conducive learning environment where all students are inspired to achieve their potential and strive for excellence in a global society as dignified professionals with the cooperation of all stakeholders.

GOALS

We are committed to Educate, Enrich and Excel, in imparting Professional Education, by top-quality faculty; who endeavor to mentor the students as turn-key solution providers, while striving continually to improve through team work, innovation and research.

Courses Offered

UG Programmes Offered (B.Tech)

- Aeronautical Engineering - AERO
- Civil Engineering - CIVIL
- Computer Science and Engineering - CSE
- Electronics and Communication Engineering - ECE
- Information Technology - IT
- Mechanical Engineering - MECH

Pharma Courses

- B.Pharm
- Pharm.D

PG Programmes Offered (M.Tech)

- Aerospace Engg.
- CAD/CAM
- Computer Science & Engg.
- Digital Systems & Computer Electronics
- Embedded Systems
- Structural Engg.
- Thermal Engg.

Pharma Courses

- Pharm. D (PB)
- M. Pharmacy (PA&QA)
- Master of Business Administration - MBA

Sri Marri Laxman Reddy, the founder Chairman of MLR Institute of Technology has been in the field of education for the last 30 years with the aim of spreading quality education among children at the school & college levels. He is also founder chairman of Marri Laxman Reddy Institute of Technology & Management, MLR Institute of Pharmacy, St. Martin's Engineering College and St. Martins Schools at Balanagar, Chintal and Malkajgiri. He is a veteran athlete of international repute. MLR Group of Institutions is the culmination of his dreams.

Sri. Marri Laxman Reddy,
Founder Chairman

Sri Marri Rajasekhar Reddy, the Secretary of MLR Institutions has the distinction of establishing the Institute of Aeronautical Engineering, MLR Institute of Technology, MLR Institute of Pharmacy, Vardhaman Engineering College, Vidyanjali Grammar School at L.B.Nagar and Institute of Aircraft Maintenance Engineering, approved by DGCA. He is also Treasurer of Indo-US Collaboration for Engineering Education of A.P. Chapter.

Sri. Marri Rajasekhar Reddy
Secretary

Sri. Marri Rajasekhar Reddy, a person with remarkable abilities and great acumen strives hard to make every dream a reality. He is known to be the dynamic mentor of MLR Institute of Technology who is always on the sprit to take the institute to newer levels in every aspect of an "Ideal Institution". He, like his father Shri. Marri Laxman Reddy has the ability to turn adversities into opportunities. He strives hard to initiate various industry oriented programs to bridge the gap between academia and industry and envisions his students to be at the top positions in the industry.

Dr. P. Bhaskara Reddy
B.E (ECE), M.Tech., Ph.D., F.I.S.E.E., MISTE, MCSI, MIETE, MEMCE,
Director - MLRIT

Dr. K. Venkateswara Reddy
M. Tech., Ph.D., MISTE
Principal - MLRITM

Dr. K.S. Murali Krishna
M.Pharm, Ph.D.
Principal - MLRIP

Rankings and Recognitions

- Recognized to receive Central Assistance under section 2(f), & 12(B) of the UGC Act, 1956.
- Recognized as a Scientific and Industrial Research Organizations (SIRO).
- 16+ DST Research Projects carried out by faculty.
- 2500+ National and International Journal Papers Published by faculty.
- 50+ Doctorate Qualified faculties from IIT's, premier National and International Universities.
- Permanent affiliation and ranked under Top 10 of JNTUH affiliated colleges.
- Ranked 4th in Telangana, Ranked 6th in Andhra & Telangana states, Ranked 37th in South India & Ranked 54th in India survey conducted by The Week Magazine.
- 7 Students were selected for Microsoft Student Partners (MSPs)
- ECE Students Won 1st Prize in John Deere National Level competition.
- CSE Students Won 1st Prize in Virtusa Aptitude National Level competition.
- IV Year Students Won 1st Prize in ISB TEP Design Challenge competition.
- AERO Students Won 1st Prize in SAE India National level Design Challenge.

Memorandum of Understandings (MoUs)

MoUs with BOEING, Tech Mahindra, TATA Advanced Systems Ltd, CA Labs, Pramati Technologies, NAL, CYIENT, AskMentor Askfunding, Wipro, Tech Mahindra Elite Program, Cocubes and Aspiring Minds & Infosys for Student Industry Readiness Programs, ISB-HYD, IIIT – HYD, The University of New Orleans-USA, International Technological University ITU- California, CANADORE Aviation-CANADA.

Centers of Excellence:

- Mobile Application Development (Powered By - Wave maker)
- Cloud Computing and Big Data.
- Gaming & Animation (Powered By- DQ Software)
- Internet of Things - (IOT)
- IBM Center of Excellence.
- Lab VIEW (Powered by- NI (National Instruments))
- Robotics (Powered by - IIT)
- MAT Lab
- Digital Manufacturing
- Computational Engineering (Powered by -DASSAULT SYSTEMS)
- Aerodynamics Research

Training, Placement & Infrastructure

- Auditoriums with capacity of 1200 & 600
- 10 GD Rooms and 20 personal interview rooms for placement activities.
- Pre Placement and Post Placement Counseling & Training for the Students.
- In-house Trainers for Campus Readiness Training of Students from 1st year of the course.
- Separate Hostels for Boys & Girls in Campus
- Mini and Micro Projects in every semester on Core Engineering subjects
- Engineering Projects for Community Services (EPICS) in identified areas for Societal needs
- Preparing students as technical leaders to lead and solve technical problems of present day challenges
- Value added courses offered for student empowerment
- Counseling and mentoring students for academic, career and personnel decision making
- State of Art Facilities in Indoor and Outdoor Games & Sports

MLR Group of Institutions is well known for producing Quality Engineers and Placing more than **2500 Students**
